

One Life
Tom Seals

Whole song chord structure is: **C Am F G**

Simple as that!

Check Tom out at www.tomseals.co.uk

The lyrics are:

I see my name in spotlights
Flying high up there, like I kite
The sandy beaches, the sand so white
Aslong as we re together, everything is alright.

One life, one life, we gotta live it
One life, there s so much to see in it
One life (x4)

Out with the old and in with the new
Just sit back and enjoy the view
This life was for me and you
Imagine the things, what we could do

One life chorus repeated.

Piano/guitar solo

Travelling through, every city, pictures of you, my god, you re so pretty

One life chorus + improv one life s at the end!
