

I Like Beer
Tom T. Hall

I Like Beer
Written and recorded by Tom T. Hall

(C#) (F#) (C#)
In some of my songs I have casually mentioned
(G#7)
The fact that I like to drink beer
(C#) (F#) (C#)
This little song is more to the point
(Eb7) (G#7)
So roll out the barrel and lend me your ear

Refrain:

(F#) (C#)
I like beer it makes me a jolly good fellow
(F#) (Eb7)
I like beer it helps me unwind
(G#7)
And sometimes it makes me feel mellow (makes him feel mellow)
(C#) (F#) (C#)
Whiskeys too rough champagne cost too much
(F#)
Vodka puts my mouth in gear
(C#) (Bbm)
This little refrain should help me explain
(G#7) (C#)
As a matter of fact I like beer

(F#) (C#)
My wife often frowns when we re out on the town
(G#7)
And I m wearing a suit and a tie
(C#) (F#) (C#)
She s sipping vermouth and she thinks I m uncouth
(Eb7) (G#7)
When I yell as the waiter goes by

[Repeat refrain]

(C#) (F#) (C#)
Last night I dreamed that I passed from the scene
(G#7)
And I went to a place so sublime
(C#) (F#) (C#)
The water was clear and it tasted like beer
(Eb7) (G#7)
Then they turned it all into wine (awwww)

[Repeat refrain]
