

I Aint Saying My Goodbyes

Tom Vek

This was written by Tom himself on his forum.

```
e-----|
b--0---0-----0---0-----0-----|
g--5---5-----5---5-----0-----|
d--7---7-----7---7-----7(H)*-----|
a-(D)--(D)------(D)--(D)------(D)-----|
E-(D)--(D)------(D)--(D)------(D)-----|
```

* I just made this symbol up i think but it means Harmonic ie you rest your finger on string with out pressing it onto the fret, so it makes a kinda ping sound.

(D) - You ve really got to tank this out, whack all the strings (xcept high e) but use thumb to deaden E and A, and it sounds different on every guitar i play it on.

The chorus guitar (whack each chord for like 4 or 8 beats)

```
e-----|
b--0---0---0---6-8---0-----0---0---0---0---0-----|
g--5---5---0---5-5---5-----5---5---0---7---5-----|
d--7---5---5---0-0---7-----7---5---5---5---7-----|
a-----7-----7-----|
E-----|
```

at the end just tank this:

```
e-----|
b--0-----|
g--5-----|
d--7-----|
a-----|
E-----|
```
