Tom Vek

this is played all the way through

```
e |-----|
B |-----|
G |-----6-----|      x 6
D |--6--7-----|
A |-----|
E |-----|
```

```
e |-----|
B |-----|
G |-----6--9--8-----|
D |--6--7-----9--7--|
A |-----|
E |-----|

in the chorus the top part is played only.

pretty simple tab but sounds good when played together with bass.
