[Verse 1]

```
      D                      A
I always play Russian Roulette in my head
A7                      D
Seventeen black and twenty-nine red
      D          D7
How far from the gutter
                Em
How far from the pew
      E          E7          A          A7
I ll always remember to forget about you
```

[Chorus]

```
D                      B
A good man is hard to find
      Em                      A
Only strangers sleep in my bed
      D                      B7
My favorite words are good-bye
      Em          A          D
And my favorite color is red
```

[Verse 2]

A long dead soldier looks out
From the frame
No one remembers his war; no one
Remembers his name

[Verse 3]

Go out to the meadow;
Scare off all the crows
It does nothing but rain here,
And nothing will grow

[Chorus/Outro]

A good man is hard to find
Only strangers sleep in my bed
My favorite words are good-bye
And my favorite color is

Em **A**
my favorite color is

Em **A** **D**
my favorite color is red
