Intro: Am

Verse sequence:
```
Am                Dm    G7              C
I fell into the ocean  and you became my wife
F7            E7                        Am
 I risked it all against the sea to have a better life
         Dm              G7          C
Marie you are the wild blue sky, men do foolish things
F7            E7                        Am
 You turn kings into beggars and beggars into kings
```

Chorus sequence:
```
   F                 C         G7              C
Pretend that you owe me nothing and all the world is green
F                 C             G7           C    (G#m)
 We can bring back the old days again when all the world is green
```

NOTE: The G#m leads you back into the verse from the chorus.

```
Am         Dm           G7              C
The face forgives the mirror the worm forgives the plow
F7           E7                         Am
 The questions begs the answer can you forgive me somehow?
Am           Dm        G7                C
Maybe when our story s over we ll go where it s always spring
F7            E7                         Am
 The band is playing our song again and all the world is green
```

```
Chorus sequence:
    F                           C           G7              C
Pretend that you owe me nothing and all the world is green
F                       C                   G7             C      (G#m)
 We can bring back the old days again when all the world is green

Am          Dm          G7                      C
The moon is yellow silver on the things that summer brings
F7                      E7                          Am
 It s a love you d kill for and all the world is green
Am          Dm          G7                      C
He s balancing a diamond  on a blade of grass
F7                      E7                              Am
 The dew will settle on our graves when all the world is green

Chorus sequence:
    F                           C           G7              C
Pretend that you owe me nothing and all the world is green
F                       C                   G7             C
 We can bring back the old days again when all the world is green
