

Anywhere I Lay My Head

Tom Waits

Anywhere I lay my head off the album rain dogs by Tom Waits

This isn't really a guitar song but I was fooling around with my acoustic the other night and worked out some chords for it.

Capo 1.

Chords used:

C (x32010)

Fmaj7 (x03210)

G/F (320010)

F (x03211)

G (320033)

[Verse 1]

C **Fmaj7** **C**
My head is a spinning round
C **Fmaj7** **G/F**
my heart in my shoes, yeah
Fmaj7 **G/F**
I went and set the them on fire
C **G/F** **C**
and now I must come back down
F **C**
see I fell in a sleep boys
F **G**
I can feel it in my bones
C **Fmaj7** **C** **Fmaj7**
wow-oh anywhere, anywhere I want to lay my head
C **G/F** **C**
I want to call my own

[Verse 2]

C **Fmaj7** **C**
Well I see that the world is upside-down
C **Fmaj7** **G/F**
seems that my pockets were filled up with gold
Fmaj7 **G/F**
and now the clouds well they've covered everything all
C **G/F** **C**
and the wind is blowing cold
F **C**
now I don't need anybody
F **G**

because I learn, I learn to be alone

C **Fmaj7** **C** **Fmaj7** **C**

I said anywhere, anywhere, anywhere I lay my head boys

G/F **C**

I call my own

That s it, you can pick the individual strings or just work out
a good strumming rythem, either way it sounds good with those chords
