You're the head on the spear You're the nail on the cross You're the fly in my beer

E5

You're the key that got lost

F5

You're the letter from Jesus on the bathroom wall

E5

You're mother superior in only a bra You're the samex3 kind of bad as me You're the samex3 kind of bad as me

F5

I'm the hat on the bed I'm the coffee instead

E5

The fish or cut bait $\hat{\mathsf{Ia}} \in \mathsf{Im}$ the detective up late

F5

I'm the blood on the floor The thunder and the roar

E5

The boat that won't sink I just won't sleep a wink

F5

You're the same kind of bad as me

No good you say

Well that's good enough for me

You're the wreath that caught fire You're the preach to the choir You bite down on the sheet

But your teeth have been wired

You skid in the rain
You're trying to shift
You're grinding the gears
You're trying to shift
And you're the same kind of bad as me

They told me you were no good
I know you'll take care of all my needs
You're the same kind of bad as me

I'm the mattress in the back
I'm the old gunnysack
I'm the one with the gun
Most likely to run
I'm the car in the weeds
If you cut me I'll bleed
You're the same kind of bad as me
You're the same kind of bad as me
