[Riff A]

B E F# B  
My daddy told me, lookin back,  
E F#  
The best friend you ll have is a railroad track  
B E F# B  
So when I was 13, I said, I m rollin my own  
E F# B  
And I m leavin Missouri and I m never comin home

B  
And I m lost  
E  
And I m lost  
B G#m  
I m lost at the bottom of the world  
B E  
I m handcuffed to the bishop and the barbershop liar  
B F# B  
I m lost at the bottom of the world.

B E F# B  
Satchel Puddin and Lord God Mose  
E F#  
Sitting by the fire with a busted nose  
B E F# B  
That fresh egg yeller is too damn rare

E F# B  
But the white part is perfect for slickin down your hair

B  
And I m lost

E  
And I m lost

B G#m  
I m lost at the bottom of the world

B E  
I m handcuffed to the bishop and the barbershop liar

B F# B  
I m lost at the bottom of the world.

B E F# B  
Blackjack Ruby and Nimrod Cain

E F#  
The moon s the color of a coffee stain

B E F# B  
jesse Frank and Birdy Joe Hoaks

E F#  
But who is the king of all these folks?

B  
And I m lost

E  
And I m lost

B G#m  
I m lost at the bottom of the world

B E  
I m handcuffed to the bishop and the barbershop liar

B F# B  
I m lost at the bottom of the world.

[Play riff A]

B E F# B  
Well I dined last night with Scarface Ron

E F#  
On Telapia fish cakes and fried black swan

B E F# B  
Razorweed onion and peacock squirrel

E F#  
And I dreamed all night about a beautiful girl

B  
And I m lost

E  
And I m lost

B G#m  
I m lost at the bottom of the world  
B E  
I m handcuffed to the bishop and the barbershop liar  
B F# B  
I m lost at the bottom of the world.

[Play Riff A and B]

B E F# B  
Well God s green hair is where I slept last  
E F#  
He balanced a diamond on a blade of grass  
B E F# B  
Now I woke me up with a cardinal bird  
E  
And when I wanna talk  
F#  
He hangs on every word

B  
And I m lost  
E  
And I m lost  
B G#m  
I m lost at the bottom of the world  
B E  
I m handcuffed to the bishop and the barbershop liar  
B F# B  
I m lost at the bottom of the world.

[Play riff A 2x + fadeout]
