

Coney Island Baby

Tom Waits

G#7 **C#**
Every night she comes
G#7 **C#**
To take me out to dreamland
 G#7
When I m with her, I m the richest
 C#
Man in the town

C# **G#7**
She s a rose, she s a pearl
 C# **G#7**
She s the spin on my world
 C# **G#7** **C#**
All the stars make their wishes on her eyes

G#7 **C#**
She s my Coney Island Baby
 C# **G#7** **C#**
She s my Coney Island Girl
 G#7 **C#**
She s a princess, in a red dress
 G#7 **C#**
She s the moon in the mist to me
 G#7 **C#**
She s my Coney Island Baby
 C# **G#7** **C#**
She s my Coney Island Girl
