FALLING DOWN (Tom Waits) [tab by: AL#13]

capo on 4th fret

intro: **A E** (2x)

A E
I ve come 500 miles just to see a halo

A E
Come from st. Petersburg, Scarlett and me

A E
Well I open my eyes, I was blind as can be

A E
When you give a man luck, he must fall in the sea

Bm E
And she wants you to steal and get caught

Bm E
For she loves you for all that you are not

A E
When youâ€™re falling down, falling down

A E (hold)
When youâ€™re falling down, falling down, falling down

You forget all the roses, donâ€™t come around on sunday
Sheâ€™s not gonna choose you for standing so tall
Go on and take a swig of that poison and like it
And donâ€™t ask for silverware, donâ€™t ask for nothing
Go on and put your ear to the ground
You know you will be hearing that sound.....falling down.

Youâ€™re falling down, falling down
Falling down, falling down, falling down

[solo] (on verse crd)

When youâ€™re falling down, falling down, falling down

Go on down and see that wrecking ball come swinging on along
Everyone knew that hotel was a goner
They broke all the windows, they took all the door knobs
And they hauled it away in a couple of days
Now someone yell timber and take off your hat
Itâ€™s a lot smaller down here on the ground

Youâ€™re falling down, falling down, falling down
Falling down, falling down, falling down

Someoneâ€™s falling down, falling down, falling down
Falling down, falling down, falling...down
