I Hope I Don t Fall In Love With You chords

Tom Waits

Capo II

C F G 2x

C F G
Well, I hope that I don t fall in love with you

C F G
Cause falling in love just makes me blue,

F C
Well the music plays and you display

F C
your heart for me to see,

F C
I had a beer and now I hear

F G
you calling out for me

C F C
And I hope that I don t fall in love with you.

C F G
Well, the room is crowded, there s people everywhere

C F G
And I wonder, should I offer you a chair?

F C
Well, if you sit down with this old clown,

F C
I ll take that frown and break it,

F C
Before the evening s gone away,

F G
I think that we could make it,

C F C
And I hope that I don t fall in love with you.

C F G
I can see that you are lonesome just like me,

C **F** **G**
 and it being late, you'd like some company,
F **C**
 Well I've had two, I look at you,
F **C**
 and you look back at me,
F **C**
 The guy you're with has up and split,
F **G**
 the chair next to you is free,
C **F** **C**
 And I hope that you don't fall in love with me.

C F G C F G F C F C F C F G

C **F** **C**
 And I hope that I don't fall in love with you.

C **F** **G**
 Now the night does funny things inside a man
C **F** **G**
 These old tomcat feelings you don't understand
F **C** **F** **C**
 I turn around and look at you, you light a cigarette
F **C** **F** **G**
 I wish I had the guts to bum one, but we've never met
C **F** **C**
 And I hope that I don't fall in love with you.

C **F** **G**
 Now it's closing time, the music's fading out
C **F** **G**
 Last call for drinks I'll have another stout
F **C** **F** **C**
 I turn around and look at you, you're nowhere to be found
F **C** **F** **G**
 I search the place for your lost face, I guess I'll have another round
C **F** **C**
 and I think that I just fell in love with you
