C# F# G#

[Verse 1]

C# F# G#
Well, I hope that I don t fall in love with you

C# F# G#
Cause falling in love jus makes me blue

F# C# G# C#
Well, the music plays, and you display your heart for me to see

F# C# F# G#
I had a beer and now I hear you callin out for me

C# F# G# C#
And I hope that don t fall in love with you

[Verse 2]

C# F# G#
Well, the room is crowded, people everywhere

C# F# G#
And I wonder should I offer you a chair

F# C# G# C#
Well, if you sit down with this ol clown, I ll take that frown and break it

F# C# F# G#
Before the evening s gone away, I think that we could make it

C# F# G# C#
And I hope that I don t fall in love with you

[Verse 3]

C# F# G#
Well, the night does funny things inside a man

C# F# G#
These old tom-cat feelings you don t understand

F# C# G# C#
When I turn around to look at you, you light cigarette

F# C# F# G#
I wish I had the guts to bum one, but we ve never met

C# F# G# C#
And I hope that I don t fall in love with you

[Verse 4]

C# F# G#
I can see that you are lonesome just like me

C# F# G#
And it being late you d like some company

F# C# G# C#
Well I turn around to look at you, and you look back at me
