

I Hope That I Dont Fall In Love With You
Tom Waits

[Intro]

D G A
D G A

[Verse 1]

Well, I hope that I don t fall in love with you
Cause falling in love jus makes me blue
Well, the music plays, and you display your heart for me to see
I had a beer and now I hear you callin out for me
And I hope that don t fall in love with you

[Verse 2]

Well, the room is crowded, people everywhere
And I wonder should I offer you a chair
Well, if you sit down with this ol clown, I ll take that frown and break it
Before the evening s gone away, I think that we could make it
And I hope that I don t fall in love with you

[Verse 3]

Well, the night does funny things inside a man
These old tom-cat feelings you don t understand
When I turn around to look at you, you light cigarette
I wish I had the guts to bum one, but we ve never met
And I hope that I don t fall in love with you

[Verse 4]

I can see that you are lonesome just like me
And it being late you d like some company
Well I turn around to look at you, and you look back at me

G **D** **G** **A**
The guy you re with has up and split, the chair next to you s free
D **G** **A** **D**
And I hope that you don t fall in love with me

[Verse 5]

D **G** **A**
Now it s closing time, the music s fading out
D **G** **A**
Last call for drinks, I ll have another stout
G **D** **A** **D**
When I turn around to look at you, you re nowhere to be found
G **D** **G** **A**
I search the place for your lost face, guess I ll have another round
D **G** **A** **D**
And I think that I just fell in love with you
