

**Im Your Late Night Prostitute**  
**Tom Waits**

Tuned 1/2 step down

Well, I got here at eight and I ll be here til two  
I ll try my best to entertain you and  
Please don t mind me if I get a bit crude  
I m your late night evening pro- stitute

| G - G/F# | - | G/E - G/D | - | Am - D |

So drink your Martini and stare at the moon  
Don t mind me, I ll continue to croon and  
Don t mind me if I get a bit lewd

I m your late night evening pro- stitute

And dance, have a good time - I ll continue to shine

Yes, dance, have a good time - Don t mind me if I slip upon a rhyme

And I got here at eight and I ll be here til two  
I ll try my best to entertain you and  
Please don t mind me if I get a bit crude  
I m your late night evening prostitute  
I m your late night evening prostitute
