She left in the fall, that s her picture on the wall
She always had that little drop of poison
She left in the fall, that s her picture on the wall
She always had that little drop of poison

Did the devil make the world while God was sleeping
Someone said you ll never get a wish from a bone
Another wrong goodbye and a hundred sailors
That deep blue sky is my home

She left in the fall, that s her picture on the wall
She always had that little drop of poison
She left in the fall, that s her picture on the wall
She always had that little drop of poison

Similarly...

She left in the fall, that s her picture on the wall
She always had that little drop of poison
She left in the fall, that s her picture on the wall
