November Tom Waits

November by Tom Waits Normal tuning Capo on First Fret

This is the more simple version of the song. Maybe I ll put on the advance version

With the capo on the first fret you should be able to play along :)

This is my first contribution... there is also a small video :) http://www.youtube.com/watch?v=wbuYZrimAzU

Intro:

Em C B B7

Em B7/F# G Dsus4

No shadow no stars

Dsus4 D Em B7

There s no moon and no cars

Em

November

Em B7

it only believes

D (

in a pile of dead leaves

Em C B'

and a moon that s the color of bone

Em C D G (or **B7**)

No prayers for November to linger longer

Em B B7

stick your spoon in the w--all

Em B B7

we ll slaughter them a--ll

Em D/F# G D

November has tied me to an old dead tree

G D G B7

get word to April to rescue me

Em C D G

November s cold chain made of wet boots and rain

Em C D B7

and shiny black ravens on chimney smoke lanes

Em B B7

November seems o--dd Em B B7 you re my firing sq--uad November Bridge: Bm - C - C#m - D - D#m - E - B7Em в7 With my hair slicked back Em B7 with carrion shellac Em в7 with the blood from a pheasant Em в7 and the bone from a hare C D tied to the branches of a roebuck stag Em C D в7 left to wave in the timber like a buck shot flag Em B B7 Go away you rainsnout Em B B7

go away blow your brains out November
