

## November

Tom Waits

November by Tom Waits

Normal tuning

Capo on First Fret

This is the more simple version of the song. Maybe I ll put on the advance version

With the capo on the first fret you should be able to play along :)

This is my first contribution... there is also a small video :)

<http://www.youtube.com/watch?v=wbuYZrimAzU>

Intro:

**Fm**                    **C#**                    **C**                    **C7**

**Fm**                    **C7/G**                    **G#**                    **Ebsus4**

No shadow no stars

**Ebsus4**    **Eb**    **Fm**                    **C7**

There s no moon and no cars

**Fm**

November

**Fm**                    **C7**

it only believes

**Eb**                    **G#**

in a pile of dead leaves

**Fm**                    **C#**                    **C7**

and a moon that s the color of bone

**Fm**                    **C#**                    **Eb**                    **G# (or C7)**

No prayers for November to linger longer

**Fm**                    **C**    **C7**

stick your spoon in the w--all

**Fm**                    **C**    **C7**

we ll slaughter them a--ll

**Fm**                    **Eb/F#**                    **G#**                    **Eb**

November has tied me to an old dead tree

**G#**                    **Eb**                    **G#**                    **C7**

get word to April to rescue me

**Fm**                    **C#**                    **Eb**                    **G#**

November s cold chain made of wet boots and rain

**Fm**                    **C#**                    **Eb**                    **C7**

and shiny black ravens on chimney smoke lanes

**Fm**                    **C**    **C7**

November seems o--dd

**Fm C C7**

you re my firing sq--uad

**Fm**

November

Bridge:

**Cm - C# - Dm - Eb - Em - F - C7**

**Fm C7**

With my hair slicked back

**Fm C7**

with carrion shellac

**Fm C7**

with the blood from a pheasant

**Fm C7**

and the bone from a hare

**Fm C# Eb G#**

tied to the branches of a roebuck stag

**Fm C# Eb C7**

left to wave in the timber like a buck shot flag

**Fm C C7**

Go away you rainsnout

**Fm C C7**

go away blow your brains out

**Fm**

November
