Please Call Me
Tom Waits
The Heart Of Saturday Night

G **C** **B** **Em**
Well the evening fell just like a star and it left a trail behind

G **C** **G** **D**
You spit as you slam out the door

G **C** **B** **Em**
If this is love we re crazy cos we fight like cats and dogs

C **G** **D** **D7**
I just know there s got to be more

Chorus:

G **C** **D** **B**
Please call me baby wherever you are

Em **C** **D**
It s too cold to be out walking in the streets

G **C** **B7** **Em** **C**
Do crazy things when we re wounded everyone s a bit insane

G **C**
I don t want you catching your death of cold

D7 **G**
Out walking in the rain

I admit that I ain t no angel I admit that I ain t no saint
I m selfish and I m cruel but your blind
If I exorcise my devils well my angels may leave too
When they leave they re so hard to find

Chorus

We re always at each other s throats you know it drives me up the wall
Most of the time we re just blowing off steam
And I wish to God you d leave me baby I wish to God you d stay
Life s so different than it is in your dreams

Chorus
