

**Please Call Me Baby**  
**Tom Waits**

Please Call Me  
Tom Waits  
The Heart Of Saturday Night

**G** **C** **B** **Em**  
Well the evening fell just like a star and it left a trail behind

**G** **C** **G** **D**  
You spit as you slam out the door

**G** **C** **B** **Em**  
If this is love we re crazy cos we fight like cats and dogs

**C** **G** **D** **D7**  
I just know there s got to be more

Chorus:

**G** **C** **D** **B**  
Please call me baby wherever you are

**Em** **C** **D**  
It s too cold to be out walking in the streets

**G** **C** **B7** **Em** **C**  
Do crazy things when we re wounded everyone s a bit insane

**G** **C**  
I don t want you catching your death of cold

**D7** **G**  
Out walking in the rain

I admit that I ain t no angel I admit that I ain t no saint  
I m selfish and I m cruel but your blind  
If I exorcise my devils well my angels may leave too  
When they leave they re so hard to find

Chorus

We re always at each other s throats you know it drives me up the wall  
Most of the time we re just blowing off steam  
And I wish to God you d leave me baby I wish to God you d stay  
Life s so different than it is in your dreams

Chorus
