If this is love we re crazy cos we fight like cats and dogs

C# **G#** **Eb Eb7**
I just know there s got to be more

Chorus:

G# **C#** **Eb** **C**
Please call me baby wherever you are

Fm **C#** **Eb**
It s too cold to be out walking in the streets

G# **C#** **C7** **Fm** **C#**
Do crazy things when we re wounded everyone s a bit insane

G# **C#**
I don t want you catching your death of cold

Eb7 **G#**
Out walking in the rain

I admit that I ain t no angel I admit that I ain t no saint
I m selfish and I m cruel but your blind
If I exorcise my devils well my angels may leave too
When they leave they re so hard to find

Chorus

We re always at each other s throats you know it drives me up the wall
Most of the time we re just blowing off steam
And I wish to God you d leave me baby I wish to God you d stay
Life s so different than it is in your dreams

Chorus
