Please Call Me
Tom Waits
The Heart Of Saturday Night

A **D** **C#** **F#m**
Well the evening fell just like a star and it left a trail behind

A **D** **A** **E**
You spit as you slam out the door

A **D** **C#** **F#m**
If this is love we re crazy cos we fight like cats and dogs

D **A** **E** **E7**
I just know there s got to be more

Chorus:

A **D** **E** **C#**
Please call me baby wherever you are

F#m **D** **E**
It s too cold to be out walking in the streets

A **D** **C#7** **F#m** **D**
Do crazy things when we re wounded everyone s a bit insane

A **D**
I don t want you catching your death of cold

E7 **A**
Out walking in the rain

I admit that I ain t no angel I admit that I ain t no saint
I m selfish and I m cruel but your blind
If I exorcise my devils well my angels may leave too
When they leave they re so hard to find

Chorus

We re always at each other s throats you know it drives me up the wall
Most of the time we re just blowing off steam
And I wish to God you d leave me baby I wish to God you d stay
Life s so different than it is in your dreams

Chorus
