Tom Waits - That Feel

**B**

Well there s one thing you can t lose

**Esus2 F#sus4 F#**

It s that feel

**B**

Your pants, your shirt, your shoes

**Esus2 F#sus4 F#**

But not that feel

**Esus2**

You can throw it out in the rain

**F#sus4 F# B**

You can whip it like a dog

**Esus2**

You can chop it down like an old dead tree

**Esus2**

You can always see it

**F#sus4 F# B**

When you re coming into town

Once you hang it on the wall

**F#m7sus4**

You can never take it down

But there s one thing you can t lose

And it s that feel

You can pawn your watch and chain

But not that feel

It always comes and finds you

It will always hear you cry

I cross my wooden leg

And I swear on my glass eye

It will never leave you high and dry

Never leave you loose

It s harder to get rid of than tattoos

But there s one thing you can t do

Is lose that feel

You can throw it off a bridge

You can lose it in the fire

You can leave it at the altar

But it will make you out a liar

You can fall down in the street

You can leave it in the lurch  
Well you say that it s gospel  
But I know that it s only church

And there s one thing you can t lose  
And it s that feel  
It s that feel
