Tom Waits - That Feel

B
Well there s one thing you can t lose
Esus2 F#sus4 F#
It s that feel

B
Your pants, your shirt, your shoes
Esus2 F#sus4 F#
But not that feel

Esus2
You can throw it out in the rain
F#sus4 F# B
You can whip it like a dog
Esus2
You can chop it down like an old dead tree
Esus2
You can always see it
F#sus4 F# B
When you re coming into town

Once you hang it on the wall
F#m7sus4
You can never take it down

But there s one thing you can t lose
And it s that feel
You can pawn your watch and chain
But not that feel
It always comes and finds you
It will always hear you cry
I cross my wooden leg
And I swear on my glass eye
It will never leave you high and dry
Never leave you loose
It s harder to get rid of than tattoos

But there s one thing you can t do
Is lose that feel
You can throw it off a bridge
You can lose it in the fire
You can leave it at the altar
But it will make you out a liar
You can fall down in the street

You can leave it in the lurch
Well you say that it s gospel
But I know that it s only church

And there s one thing you can t lose
And it s that feel
It s that feel
