Capo I

**Bm Bm**

Woah, woah

**Bm Bm**

Woah, woah

**Em**

Long way going to

Get my medicine

**Bm**

Sky s the autumn grey of a lonely wren

**Em**

Piano from a window played

**Bm**

Gone tomorrow, gone yesterday

**Am**

**Em**

I found it in the street

**Am**

**Em**

At first I did not see

**Am**

**Em**

Lying at my feet

**Am**

**Em**

A trampled rose

**Em**

Passing the hat in church

**Bm**

It never stops going around

**Em**

You never pay just once

**Bm**

To get the job done

**Am**                      **Em**  
What I done to you,  
    **Am**                      **Em**  
I know you done to me  
**Am**                      **Em**              **Am**              **Em**  
What happened to the trampled rose?

**Em**  
In the muddy street  
                                 **Bm**  
With the fireworks and leaves

**Em**  
A blind man with a cup I asked  
                                                         **Bm**  
Would he sing    Kisses Sweeter Than Wine

**Am**                      **Em**  
I know that rose,  
**Am**                      **Em**  
Like I know my name  
    **Am**                      **Em**  
The one I gave my love,  
    **Am**                      **Em**  
I said it was the same  
    **Am**                      **Em**  
Now I find it in the street,  
    **Am**                      **Em**  
A trampled rose

\* Robert Plant and Alison Krauss    same chords but no capo
