

Angels

Tom Walker

I don't know if it is 100% right but sounds good playing along the acoustic official video.

No Capo

Tab by Javier Celada

[Verse 1]

Am

Save praise for a better man

No need for your touching hands

G

There's nothing to understand

I'm one with the lost and damned

[Refrain]

Dm

It's a long road and you're on your own

F

Take care of your broken soul

Cause there must be

There must be

[Verse 2]

Am

I've drunk all the remedies

Too young for these memories

G

Swing low, bitter melodies

False hope from the teeth of the enemy

[Refrain]

Dm

It's a long road and you're on your own

F

Take care of my broken soul

[Chorus]

Cause there must be

Am

There must be angels, guiding the way

G

There must be angels, saving our grace

Dm

There must be heaven for people who stray

F

There must be heaven in this hell that I m living

G

Cause heaven seems to be so forgiving

[Post-Chorus]

Am

So don t give up

I won t give up

G

No, don t give up

Dm

I- Cause there must be angels

There must be angels

F

There must be heaven in this hell that I m living

G

Cause heaven seems to be so forgiving

[Verse 3]

Am

Lost hope, keeping dreams afloat

I stand just a man on the tight rope

G

Got faith but I ll never know

See wings when I look through my telescope

[Refrain]

Dm

It s a long road and you re on your own

F

Take care of my broken soul

[Chorus]

Cause there must be

Am

There must be angels, guiding the way
