**E** **F#m**  
And counting our blessings  
**C#m** **A**  
But it don t take us too long  
**A**  
Cause our lives ain t like a movie

**E** **A**  
Or a Katy Perry song  
**A** **E**  
And counting our blessings  
**A**  
Cause we got friends to lean on

Got no money in our pockets  
**C#m**  
We re too busy getting drunk

**D** **F#m**  
Let s hear it for the good times

**E** **F#m**  
And counting our blessings  
**C#m** **A**  
But it don t take us too long  
**A**  
Cause our lives ain t like a movie

**E** **A**  
Or a Katy Perry song  
**A** **E**  
And counting our blessings  
**A**  
Cause we got friends to lean on

**A**  
Got no money in our pockets  
**C#m**  
We re too busy getting drunk

And when the night is over  
**C#m** **F#m**  
Lay your head upon my shoulders  
**E** **D**  
Glad I m coming down with you  
**F#m Bm**  
Cause nothing really matters  
**E**  
As long as you re right here

**E** **F#m**  
And counting our blessings  
**C#m** **A**  
But it don t take us too long  
**A**  
Cause our lives ain t like a movie
