

Fly Away With Me
Tom Walker

[Verse]

F

I m strumming on the corner

Am

About to catch last the train home

F

I ll have to jump the barriers

Am

So can you spare a penny for my thoughts

F

I ve been praised upon the pavements

Passers by don t pay much

Am

Chased away by neighbours

Seen things you couldn t make up

F

If these streets could talk

Am

They d tell a story or two

I ll paint a picture for you

[Pre-Chorus]

Dm

I can tell you what it feels like

Bb

To lose your home on a cold night

Dm

Can you see the blood in my red eyes

Bb

Have another toke, we ll forget life

[Chorus]

Dm

C

So come and fly away with me

Bb

Bb

To a place where we could be anyone we wanna be

Dm

C

We can bottle up our fear

Bb

Brew a taste so sweet

Bb

Knock us off our feet and we ll

[Post Chorus]

Dm

C

Burn our troubles

Bb

Inhale them all

C

Dm

Paint the future on a fractured wall

C

So come and fly away with me

Bb

Bb

To a place where we could be anyone we wanna be

[Verse]

F

Still in the station when I wake up

Am

I missed the last train home

F

Jump back over the barriers

Am

No one's got a penny for my flaws

F

I'm asleep upon the pavement

Passersby don't say much

Am

tutted at by strangers

Dreamt things you'd never dream of

F

If these streets could talk they'd tell a story or

Am

two, I'll paint a picture for you

[Pre-Chorus]

Dm

I can tell you what it feels like

Bb

To lose something you love on a cold night

Dm

As the cars roll by under the street lights

Bb

There's only one way I can forget life

[Chorus]

Dm

C

So come and fly away with me

Bb

Bb

To a place where we could be anyone we wanna be

Dm

C

We can bottle up our fear

Bb

Brew a taste so sweet

Bb

Knock us off our feet and we'll

Dm

C

Burn our troubles

Bb

Inhale them all

[Post Chorus]

C **Dm**
Paint the future on a fractured wall
C
So come and fly away with me
Bb **Bb**
To a place where we could be anyone we wanna be

Dm **Dm** **C** **Bb**
We could be anyone we wanna be
Dm **C** **Bb**
We could be anyone we wanna be

[Bridge]

Dm
These streets I m walking
Dm7
They ve started talking to
C4 **Bb**
Me, ohh can t you see?
Dm
There s only one way outta here
Dm7
We have to face the things we fear
Bb
And we could be anyone we wanna be
Dm
Yeah we could be anyone we wanna be

[Chorus]

Dm **C**
So come and fly away with me
Bb **Bb**
To a place where we could be anyone we wanna be
Dm **C**
We can bottle up our fear
Bb
Brew a taste so sweet
Bb
Knock us off our feet and we ll
Dm **C**
Burn our troubles
Bb
Inhale them all

[Post Chorus]

C **Dm**
Paint the future on a fractured wall
C
So come and fly away with me
Bb **Bb**
To a place where we could be anyone we wanna be

[Outro]

Dm	Dm	C	Bb
We	could	be	anyone we wanna be
Dm	Dm	C	Bb
We	could	be	anyone we wanna be
