

Leave a Light On
Tom Walker

Bm

The second someone mentioned you were all alone

G

I could feel the trouble coursing through your veins

D

A

Now I know, it's got a hold

Bm

Just a phone call left unanswered had me sparking up

G

These cigarettes won't stop me wondering where you are

D

Don't let go

A

Keep a hold

Bm

If you look into the distance there's a house upon the hill

G

Guiding like a lighthouse

D

It's a place where you'll be safe to feel our grace

A/Db

Cause we've all made mistakes, if you've lost your way

Bm G

And I will leave the light on

D A

I will leave the light on

Bm G

I will leave the light on

D A

I will leave the light on

Bm

Tell me what's been happening

What's been on your mind?

G

D

Lately you've been searching for a darker place to hide

A4 A

That's alright

Bm

But if you carry on abusing you'll be robbed from us

G

I refuse to lose another friend to drugs

D

Just come home

A

Don't let go

Bm

If you look into the distance there's a house upon the hill

G

Guiding like a lighthouse

D

It's a place where you'll be safe to feel our grace

A/Db

Cause we've all made mistakes, if you've lost your way

Bm G

And I will leave the light on

D A

I will leave the light on

Bm G

I will leave the light on

D A

I will leave the light on

(I will leave the light on)

Bm

If you look into the distance there's a house upon the hill

G

Guiding like a lighthouse

D

It's a place where you'll be safe to feel our grace

A

And if you've lost your way, if you've lost your way

(I will leave the light on)

Bm

And I know your down and out now but I need you to be brave

G

Hiding from the truth ain't going to make this all okay

D

A

I see your pain, if you don't feel our grace then you've lost your way

Bm G

And I will leave the light on

D A

I will leave the light on

Cause I will leave the light on
