

I Cant Let Someone Else Inside
Tommy Fredvang

C **G**
Another day unfolds
Am **F**
I m stuck here staring out the window
C **G**
Life keeps on passing me by
 Am **F**
I just can t seem to understand
C **G**
Why I let you go
 Am **F**
Cause with you it feels like home
C **G** **Am**
I m thinking maybe you re the reason why
 F **C**
I can t let someone else inside

And so the song continues with the same chords :)
