TOMMY REEVE - FALL BACK ON ME.

if you have any corrections, let me know & i m gonna change!
have fun, i love it ♥

(standard tuning: **E A D G B E**)

Intro: **D G D G**

(Verse 1)

D **G**
You pack your stuff in the suitcase
D **G**
Youâ're looking back one last time
D **G**
Youâ're fighting through all your memories
D **A**
Try not to loose your mind
D **G**
Youâ're starting on your journey
D **G**
Thereâ's much you leaving behind
D **G**
Sometimes youâ'll get disappointed
D **A**
But at the end your headâ's up high

(Chorus)

D **G**
And when itâ's heavy on your shoulders
D **A**
And itâ's hard for you to breathe
D **G**
And you forget the taste of sweetness
D **A**
And your favourite melody
G
Then you can fall back on me (yeah)

(Fall back on me, baby)

(... then just continue...)

(Verse 2:)

You try to climb on a mountain
And dive deep into the sea
Just keep on walking in faith
Even though you don't believe
There'll be a storm to come
With no sun and no moon
It's swirling right up into the sky
Just step in and try to walk through

When it's heavy on your shoulders...
back on me

(chorus)
