

Im Sorry

Tommy Reeve

standard-tuning + Capo on 3rd fret.
very easy to play. have fun!

-tabbed by Patrick J.-

Note: F/C sounds best when you play it like:

```
E-----|
B--1-----|
G-----2-----|
D-----3-----|
A-----3-----|
E-----|
```

-----.

Versel: |

```
      Am          G          F/C
I know i wasn t there
      Am          G          F/C
when you needed me the most
      Am          G          F/C
I know i didn t care
      Am          G          F/C
and was afraid to get so close
D                      F/C
tonight it s getting hard to fall a sleep
D                      F/C          C
cause it becomeing clear that I procalling to peaces
                        F/C
and i can not reverse
                        C
so I ve got one more thing to say
```

-----.

Chorus1: |

```
C          G
I m sorry for your pain
Am          F/C
I m sorry for your tears
          C          G
for all the little things i didn t know
          Am          F/C
I m sorry for the words i didn t say
          C
but what i still do
F/C          Am
i m still lovin you...
```

-----.
Verse2:

Am **G** **F/C**
I know i let you wait
Am **G** **F/C**
and been away for far to long
Am **G** **F/C**
but now i can relate
Am **G** **F/C**
to everything that i did wrong
D **F/C**
stop breahnting when i think i m losing you
E **F/C** **C**
and will be know it s cute?! so i m on my knees
F/C
so listen please
C
let me hold your hand ones again

-----.
Chorus2:

C **G**
I m sorry for your pain
Am **F/C**
I m sorry for your tears
C **G**
for all the little things i didn t know
Am **F/C**
I m sorry for the words i didn t say
C **G**
I m sorry for the lies
Am **F/C**
I m sorry for the fights
C **G**
for not showing my love a thousand times
Am **F/C**
I m sorry for the things that i call mine
C
but what i still do
F/C **Am**
i m still lovin you
