

Six Billion People

Tommy Reilly

This is my first tab so i hope i dont mess it up haha.

All relative to capo fret 2

Intro - **E, A, B** (played on the first 4 strings in an E bar chord position)

Verse:

E **A**
Shes clever than me
E **B**
I was outsmarted
C# **A** **E**
Think thats what really gets me down.
E **A**
I dont care that shes getting with him,
E **B**
Its just she got me too.
C# **A** **E**
I felt like a foool.

Chorus:

E **A**
But baby theres six billion people in the world
E **B**
Six billion and half of them are girls
C# **A** **B** **A**
The chances are baby Im going to meet someone whose better than you.
E **A**
Six billion people in the world
E **B**
Six billion and half of them are girls
C# **A** **B** **A**
The chances are baby Im going to meet somebody new
A **B** **E**
And I dont care what you say, youre not going to like that are you?

2nd verse is the same chords and then its just the chorus again
