This is my first tab, so feel free to rate and give feedback! :D

No capo, standard tuning.

Chorus:

D **Bm F#m G**

I LIKE TRAINS!

D **Bm** **F#m G**

I LIKE TRAINS! OH-OH-OH-OH

Verse 1:

D **Bm**

Hey, have you heard of the I Like Trains kid?

F#m **G**

He s pretty cool but their might be something wrong with him

D **Bm**

I don t know if he s cursed or if there s something with his brain

F#m **G**

But the only thing he ever says is (I Like Trains)...

Chorus

Verse 2:

From birth the I Like Trains kid never spoke a word
Not even to his parents not a single sound was heard
But on the first day of school when the teacher asked his name
He game a little smile as he said (I Like Trains)...

Chorus

Verse 3:

They put him on some Ritalin to see if that would help
The doctor found the perfect dose and asked him how he felt
He stared at the doctor with that same creepy smile
And the I Like Trains kid said (I feel great!)...

He got a fancy job and he straightened out his life
He met a nice girl who he asked to be his wife
As they stood on the altar and prepared to say the vows
He put a ring on her finger and he said--

Chorus

Bridge:
