

I Love You
Tone Damli Aaberge

Capo 3rd fret

G
I have been looking for pieces of what we shattered
D
I have been patching the parts I could find together
C Em D
And I am starting to see traces, baby.

G
I know you know I ve been waiting for you to call me,
D
You know I know you got problems with saying sorry,
C Em D
But I m a step away from crazy, baby.

G
I love you, me and my heart have decided,
D
I love you, nothing worth doin about it
Em C
Cause baby we need you here to hold it all together,
G
I love you, me and my heart have been fighting,
D
she won t do anymore beating without you,
C D G
we need you, I love you.

G
You said somethings but I know they were said in anger,
D
and I don t wanna be mad at you any longer,
C Em D
so I am drawing up a line now, baby.

G
And I have tried to be stronger, without you here,
D
but I got memories I can t erase, I keep on picturing your face, so,
C Em D
I stop pretending that I m fine now, baby.

G
I love you, me and my heart have decided,
D
I love you, nothing worth doin about it,

Em C

Cause baby we need you here to hold it all together

G

I love you, me and my heart have been fighting,

D

she won't do anymore beating without you,

C D G

we need you, I love you.

G Em G D Em

I can't get it right at all, nothing works when you are gone,

G Em C

I can't sleep at night without you here,

D

And it is crazy I don't care, cause..

G

I love you, me and my heart have decided,

D

I love you, nothing worth doin' about it,

Em C

Cause baby we need you here to hold it all together

G

I love you, me and my heart have been fighting,

D

she won't do anymore beating without you,

C D G

we need you, i love you.

G

I love you..
