

Look Back

Tone Damli Aaberge

Hello there! I just wanted to post a new tab. This is a song buy the norwegian artist Tone Damli.

Please tell me if anything is wrong in this text/tab!

Thanks.

G **D**
Pretty, you begging me pretty please.

Em
And I have been on my knees

D **C**
While you have been a passer by, oh

G **D**
And I mean really, cause really I gotta say

Em
Remember now, you left me

D **C**
So dry your red and lying eyes

C **D**
And you can t see, cause you re not smart

Em **D**
But nevertheless you broke my heart

Chorus

G
All this passion and all this pain
D
Just take it like a man and baby walk away

Em
And never look back, never look back

C
And never look back, never look back

G
All this crying in New York rain
D
It s just a bit pathetic and its far to late

Em
To ever look back, ever look back

C
I ll never look back, never look, look back for you

G **D**

Easy, cause easy come, easy go

Em

And out of everybody you should know

D

C

But I am gonna point it out

C

D

That you can't see, cause you're not smart

Em

D

But nevertheless you broke my heart

Oh Yeah

Chorus

G

All this passion and all this pain

D

Just take it like a man and baby walk away

Em

And never look back, never look back

C

And never look back, never look back

G

All this crying in New York rain

D

It's just a bit pathetic and it's far too late

Em

To ever look back, ever look back

C

I'll never look back, never look, look back for you

C

D

I, I, I, I, I, I mean it this time

Em

D

And you and I, I, I, I we died we did.

C

D

But you can't see, cause you're not smart

Em

D

But nevertheless you broke my heart

You broke my heart

Oh yeah.

Chorus

G

All this passion and all this pain

D

Just take it like a man and baby walk away

Em

And never look back, never look back

C

And never look back, never look back

G

All this crying in New York rain

D

It s just a bit pathetic and its far to late

Em

To ever look back, ever look back

C

I ll never look back, never look, look back for you

G D Em C

I will never look back for you

for you

for you

for you
