

Jimmy  
Tones And I

**C** **G**  
Jimmy used to run through the streets at night  
**Bm** **C**  
To escape from all the fighting  
**C** **G**  
He was always told that he wasn't right  
**Bm** **C**  
So he just kept on writing  
**C** **G**  
Writing to a dad that he wished he d™ had  
**Bm** **C**  
That he didn't know he needed, he said  
**C** **G**  
We should run away, but today we'll stay  
**Bm**  
And I haven't™t seen him since that day, now I got

[Refrão]

**C** **G**  
Jimmy on my mind, felt like yesterday  
**Bm** **C**  
But I don't see him anymore, anymore  
**C** **G**  
Jimmy, he got tired, so he couldn't stay  
**Bm** **C** **C**  
Now I don't see him anymore, anymore  
**G** **Bm**  
Nah, nah, no, no  
**C** **C** **G**  
I don't see him anymore  
**Bm** **C**  
Nah, nah, nah, ah

[Segunda Parte]

**C** **G**  
Jimmy would come over after school sometimes  
**Bm** **C**  
And we'd dance around the garden  
**C** **G**  
He would never talk, but when he would try  
**Bm** **C**  
It would never come out right and  
**C** **G**  
One day he had to go when his mum called him home  
**Bm** **C**

And he looked at me and smiled and he said

**C** **G**

We should run away, but today we ll stay

**Bm**

And I haven t seen him since that day, now I got
