Cm **G#**
I gave you the benefit of the doubt
Eb
Til you showed me what you were about
Bb
Your true colors came out

Cm **G#**
And your words couldn't hide the sin
Eb
Cause the truth about where you been
Bb
Is in a fragrance I can't recognize

Cm
Just standing there, scratching your head
G#
Bloodshot eyes, drunk with regret
Eb **Bb**
Hanging yourself ten feet over the edge

Cm **G#**
I'm done with this, feeling like an idiot
Eb
Loving you, I'm over it
Bb
I just don't love you, don't love you no more

Cm **G#**
You, you are so yesterday
Eb
Never thought you'd lose my love this way
Bb
Now you come begging me to stay

Cm **G#**
See you, you are so yesterday
Eb
I won't let you rain on my parade
Bb
I don't wanna hear a thing you say
Cm
You're so yesterday

?Now you realize it s all your fault, ooo, ooo
