Toni Childs

G **Cadd9** **G** **Cadd9** **G**

Where s the ocean where s the ocean where s the ocean for us and us
Cadd9 **G**

As my body touches you and my soul entwines the view
Cadd9 **G**

Of an ocean and a sea of love

Bm **A**
Down into the depths of time and all eternity down into the depths
Bm

Of all the things I find reminding me your voice it calling me

Haunting me like ghosts at sea

C **Am7** **C**
Will you be the one my ocean and divine
Cadd9 **G**

Where s the ocean where s the ocean
Cadd9 **G**

Where s the moments I once knew inside my heart
Cadd9 **G** **Cadd9** **G**

Where s the ocean where s the ocean where s the ocean for us and us
Bm

I stand pointed by the views you want to stay
A

As the silhouette of lovers as it fades into decay
Bm

Playing with the thoughts is tortured we were once true lovers
C **Am** **C**

But now I don t see the ocean very clear
Cadd9 **G**

Where s the ocean where s the ocean
Cadd9 **G**

Where s the moment I once knew inside my heart
Cadd9 **G** **Cadd9** **G**

Where s the ocean where s the ocean where s the ocean for us and us
Bm **G** **Bm** **G**

Come and dive into my sea come and dive into my sea
Bm **G** **F**

Come and dive into my ocean and remember the call
Dm **G**

And remember the cry of time
Cadd9 **G** **Cadd9** **G**

Where s the ocean where s the moments I once knew inside my heart
