C G Am Em F C Dm G C

keep repeating all throughout the songâ€™|.

Oh boy, I love you so

And I will never let you go

Cause you mean everything to me

I just wanna let you to hold me in your arms

Forever I love you so

And I will never let you go

â€™Cause you know

Youâ€™re everything I want

Everything I need

Everything to me

Verse 1:

I remember the first day

When love just came to me

It was the time when I met you

It was love at first sight

When I got to know you better

I know for sure it's more than that I'm singing

Chorus:

Oh boy I love you so

And I will never let you go

~Cause you mean everything to me

I just wanna let you to hold me in your arms

Forever I love you so

And I will never let you go

~Cause you know

You're everything I want

Everything I need

Everything to me

Verse 2:

I can't wait for the time when

We'll walk the aisle together

Can't wait to say the words

I do, I do

I love you more than you'd ever imagine

And I feel that you love me as much as I do

Iâ€™m singing

Chorus:

Oh boy, I love you so

And I will never let you go

â€˜Cause you mean everything to me

I just wanna let you to hold me in your arms

Forever I love you so

And I will never let you go

â€˜Cause you know

Youâ€™re everything I want

Everything I need

Everything to me

Cause you know

Youâ€™re everything I want

Everything I need

Everything to me

Cause you know

Youâ€™re everything I want

Everything I need

Everything to me
