Cats and Dogs Toni Price

[Intro] 4 beats

D Bm C A D Bm C A

[Verse]

Whatever happened to the way things used to be
I was so good to you and you were good me
But those days are long gone And Iâ€™m singing a sad song
Iâ€™m howling in the moonlight Cause all we do is fight

[Chorus]

Like cats and dogs cats and dogs weâ€™re like cats and dogs woohoo
You sit there crying and you wonâ€™t tell me why
I keep on trying til the fur begins to fly
Go tell your momma there ainâ€™t nothing wrong
Go tell your papa we been getting along

[Chorus]

Like cats and dogs cats and dogs weâ€™re like cats and dogs woohoo
Here kitty kitty wonâ€™t you come back home
You look so pretty and Iâ€™m so all alone
Donâ€™t shake that tail at me
Iâ€™ll chase you right up that tree
Thereâ€™s no telling what I might do I get my paws on you
Like cats and dogs cats and dogs weâ€™re like cats and dogs woohoo

[Outro]

Whatever happened to the way things used to be

I was so good to you and you were good me
