

**Just To Hear Your Voice**  
**Toni Price**

**A** **D**  
I call you on the phone  
**E** **A**  
Every night about this time  
**D**  
Iâ€™ve been feeling so alone  
**E** **A**  
I hope that you donâ€™t mind  
**A7** **D**  
Donâ€™t you know youâ€™re leaving  
**E** **F#m**  
Has left me with no choice  
**A** **E**  
But to call you on the phone  
**A**  
Just to hear your voice

**E** **F#m**  
I donâ€™t see how you could know  
**D** **A**  
The way Iâ€™m missing you  
**E** **F#m**  
Iâ€™m not sure I can let go  
**D** **E**  
But Iâ€™m trying to

**D**  
I call you on the phone  
**E** **A**  
Every night about this time  
**D**  
Iâ€™ve been feeling so alone  
**E** **A**  
I hope that you donâ€™t mind  
**A7** **D**  
Donâ€™t you know youâ€™re leaving  
**E** **F#m**  
Has left me with no choice  
**A** **E**  
But to call you on the phone  
**A**

Just to hear your voice

**E** **F#m**  
Iâ€™m not over you enough to  
**D** **A**  
throw my dreams away  
**E** **F#m**  
the problem is I love you  
**D** **E**  
More and more each day

**D**  
I call you on the phone  
**E** **A**  
Every night about this time  
**D**  
Iâ€™ve been feeling so alone  
**E** **A**  
I hope that you donâ€™t mind  
**A7** **D**  
Donâ€™t you know youâ€™re leaving  
**E** **F#m**  
Has left me with no choice  
**A** **E**  
But to call you on the phone  
**A**  
Just to hear your voice
