If You Could Only See
Tonic
 [Intro]
\mathbf{Em}
                     Am
   If you could only see the way she loves me
   Then maybe you would understand
                   Am
   Why I feel this way about our love
   And what I must do
                                                                           Em
                     Am
   If you could only see how blue her eyes can be when she says
Em
   When she says she loves me
[Instrumental]
Am C G Em x2
[Verse 1]
 Well you got your reasons
 And you got your lies
 Am
And you got your manipulations
 They cut me down to size
Am
 Sayin you love but you don t
                                     F:m
You give your love but you won t
[Chorus]
N.C
                      Am
   If you could only see the way she loves me
   Then maybe you would understand
                   Αm
   Why I feel this way about our love
   And what I must do
                                                                           Em
   If you could only see how blue her eyes can be when she says
N.C.
   When she says she loves me
[Instrumental]
```

```
Seems the road less traveled
Show s happiness unraveled
And you got to take a little dirt
To keep what you love, That s what you gotta do
Am
Sayin you love but you don t
                                   Em
You give your love but you won t
[Chorus]
N.C.
                     Am
   If you could only see the way she loves me
  Then maybe you would understand
                  Am
   Why I feel this way about our love
  And what I must do
                                      C
                                                                        Em
   If you could only see how blue her eyes can be when she says
N.C.
                    Am
                           F
                             G
                                 Am
   When she says she loves me, Yea.....
[Instrumental]
Am F G Am x3
Am
            C
 Sayin you love but you don t
                                   Em
 You give your love but you won t ..... you won t
 Sayin you love where you stand
          G
 Give your heart when you can
[Chorus]
N.C.
                    Αm
   If you could only see the way she loves me
   Then maybe you would understand
                   Am
   Why I feel this way about our love
  And what I must do
                                                                        Em
  If you could only see how blue her eyes can be when she says
N.C.
When she says she loves me
