This song is played with pretty heavy distortion, but there is also an acoustic guitar. It's fine to play without an acoustic guitar, which is actually the third guitar used anyway in the song, because it doesn't make much of a difference when playing it.

The song is played in standard tuning. All chords are played as power chords except for Dm as shown below...

	F	G	C	D	Dm
(E)	-1----	3----	3----	5----	1-
(B)	-1----	3----	3----	5----	3-
(G)	-2----	4----	5----	7----	2-
(D)	-3----	5----	5----	7----	0-
(A)	-3----	5----	3----	5----	x-
(E)	-1----	3----	x----	x----	x-

symbols used for tab: ~ = hammer down, p = palm mute,
/ = slide up, \ = slide down, ^ = bend half step

Here's the order it's played in:

Intro
Verse
Chorus
Verse
Chorus
Solo
Intro
Chorus
Outro (heavy Intro)

It's played like this...

Intro: (just one guitar and vocals)

When you re down and feelin low
 Not quite paid for; not quite sold
 And they all have got you tricked
 And the world has left you thick

**** Play this exactly for the first line, but for the rest of the **** lines after it, slide up from F to G instead of just playing G. You can see what i mean if you play along with the song. Also, only palm mute while playing F and G...play C znd D clearly and fully open.

Chorus:

 8^8^8^3--/5----8^8^8^3--/5----8^8^8^3--/5--6-6-6-6-6-6-6-6-6-6-6-6-|

My love, she dreams when she sleeps with broken faces inside
 Cold water runs deep when she sleeps with broken faces

Solo: I don t know what s played behind the solo, but here s the lead:

-----|
 -10-----10-----10-----11-----|
--9-----9-----9-----10-----9---9---9-----9---9--10---
 -----|

 -----8/11-11-----|

```

-----|
-----|
-7/9-9-9-----7/9-9-9-----7/9-9-9-----7/10-10-10-----|
-----|

```

The outro is just basically the intro played heavier and with two guitars. I have a feeling tht it might not be the same Dm played, because i think i can hear a higher note sometimes. So for the outro you can try playing 56775x instead of 1320xx. That s the whole song for ya.

Lyrics:

Oh my sugar she won t bend,
 Fly with me
 On your love she will depend,
 Fly with me

When you re down and feelin low
 Not quite paid for; not quite sold
 And they all have got you tricked
 And the world has left you thick

My love, she dreams
 when she sleeps with broken faces inside
 Cold water runs deep
 when she sleeps with broken faces

I can wonder, she can see
 I roll over, she will breathe
 All the others will make you smile
 Just lay back girl, don t drive for a while
