Amelia Tonight Alive okay so here s a slightly easier version to play this song you can use picking with these same chords, it will go: 5TH String 1 being closest to the floor and 6 being the 3RD String string closest to you. 2ND String over and over again. let me know if you have any questions! capo on 6th fret - or wherever you think sounds best ~ > ONE STRUM [INTRO] C [Verse 1] . . . C F I think about you every single day AM And every time I see your face  $\mathbf{F}$ I wake and it brings me to tears C We hadn t spoken in years F We were close when we were young and naive AM We grew up and we learned other things F You 11 always be sweet 16 [Chorus 1] C  $\mathbf{AM} \sim$ And you will always be perfect AM~ You ll always be beautifuL C  $\mathbf{F}$ Our hearts will never forget you

You didn t belong here

AM And it s become so clear G Why heaven called your name [Verse 2] С F I miss you and it still feels like I know you AM I ve got pictures of us side by side to show you F But it feels like I owe you so much more [Chorus 2] C  $AM \sim$ And you will always be perfect AM~ You ll always be beautiful u F C Our hearts will never forget you You didn t belong here AM And it s become so clear G Why heaven called your name C  $\mathbf{F}$ And it just doesn t seem right, was it really your time? AM Are we dreaming? F We ll never let go of you AM F Wish you were here but it s becoming clear AM AM G That Earth s just not the place for an angel like you G For an angel like you [woah] [Bridge] C You meant so much to so many AM F I m not quite sure how to do justice to you If they re ready to say goodbye G

I know i m not

 $\mathbf{F}$ С You made the news and the papers for days and days AM But it hardly seems fair F The whole world should know your name G I want them to know your name [Chorus 3] **C**~ AM~ And you will always be perfect AM~ You ll always be beautiful C  $\mathbf{F}$ Our hearts will never forget you You didn t belong here AM And it s become so clear G Why heaven called your name С F And it just doesn t seem right, was it really your time? AM Are we dreaming? F We ll never let go of you AM F Wish you were here but it s becoming clear AM AM G That Earth s just not the place for an angel like you G For an angel like you [Outro] С F And now we must let you move forward AM Our love lies with you  $\mathbf{F}$ Our souls fly with you G Amelia
