

**Dont Wish
Tonight Alive**

CAPO 3

Bm

Though nothingâ€™s changed on my end

G

Yet you think Iâ€™ll just give in

D

I know the game, Iâ€™ve been there

A

Come back and claim that I didn't care

Bm

You say itâ€™s always been you

G

We both know thatâ€™s far from the truth

D

I know itâ€™s cold and lonely

A

But Iâ€™m not your one and only

Bm

I wonâ€™t be the one you

G

call when everyone is

D

gone And when you treat her

A

wrong donâ€™t wish that she was me

Bm

Now that I moved

G

along itâ€™s clear we donâ€™t

D

belong This is your last

A

song, donâ€™t wish that she was me

Bm

I always wished you well

G

I always tried to let you down slowly

D

I cared enough but you just kept going

A

Bm

I, I always gave you time

G

D

I did everything right but it just wasn't enough

A

No, you just kept on pushing

Bm

I won't be the one you

G

call when everyone is

D

gone And when you treat her

A

wrong don't wish that she was me

Bm

Now that I moved

G

along it's clear we don't

D

belong This is your last

A

song, don't wish that

Bm

Would fall apart or

G

break your heart Make it

D

easier to

A

tear her world apart

Bm

Cause I've started

G

to come accustomed to

D

Reminding you that we're way past through

A

I don't wanna do this honestly, do you?

Bm

I didn't know what

G

love was then So how can you

D

say that nothing has changed? And you still

A

regret letting go of me that day

Bm

You didn't know what

G

love What love was

D

then so this is your last

A

song

Bm

I wonâ€™t be the one you

G

call when everyone is

D

gone And when you treat her

A

wrong just donâ€™t go wishin she was me

Bm

Now that I moved

G

along itâ€™s clear we donâ€™t

D

belong This is your last

A

song, donâ€™t wish that she was me

Bm
