

**Dont Wish
Tonight Alive**

CAPO 3

Am

Though nothingâ€™s changed on my end

F

Yet you think Iâ€™ll just give in

C

I know the game, Iâ€™ve been there

G

Come back and claim that I didn't care

Am

You say itâ€™s always been you

F

We both know thatâ€™s far from the truth

C

I know itâ€™s cold and lonely

G

But Iâ€™m not your one and only

Am

I wonâ€™t be the one you

F

call when everyone is

C

gone And when you treat her

G

wrong donâ€™t wish that she was me

Am

Now that I moved

F

along itâ€™s clear we donâ€™t

C

belong This is your last

G

song, donâ€™t wish that she was me

Am

I always wished you well

F

I always tried to let you down slowly

C

I cared enough but you just kept going

G

Am

I, I always gave you time

F

C

I did everything right but it just wasn't enough

G

No, you just kept on pushing

Am

I won't be the one you

F

call when everyone is

C

gone And when you treat her

G

wrong don't wish that she was me

Am

Now that I moved

F

along it's clear we don't

C

belong This is your last

G

song, don't wish that

Am

Would fall apart or

F

break your heart Make it

C

easier to

G

tear her world apart

Am

Cause I've started

F

to come accustomed to

C

Reminding you that we're way past through

G

I don't wanna do this honestly, do you?

Am

I didn't know what

F

love was then So how can you

C

say that nothing has changed? And you still

G

regret letting go of me that day

Am

You didn't know what

F

love What love was

C

then so this is your last

G

song

Am

I wonâ€™t be the one you

F

call when everyone is

C
