

Dont Wish
Tonight Alive

CAPO 3

Bbm

Though nothingâ€™s changed on my end

F#

Yet you think Iâ€™ll just give in

C#

I know the game, Iâ€™ve been there

G#

Come back and claim that I didn't care

Bbm

You say itâ€™s always been you

F#

We both know thatâ€™s far from the truth

C#

I know itâ€™s cold and lonely

G#

But Iâ€™m not your one and only

Bbm

I wonâ€™t be the one you

F#

call when everyone is

C#

gone And when you treat her

G#

wrong donâ€™t wish that she was me

Bbm

Now that I moved

F#

along itâ€™s clear we donâ€™t

C#

belong This is your last

G#

song, donâ€™t wish that she was me

Bbm

I always wished you well

F#

I always tried to let you down slowly

C#

I cared enough but you just kept going

G#

Bbm

I, I always gave you time

F#

C#

I did everything right but it just wasn't enough

G#

No, you just kept on pushing

Bbm

I won't be the one you

F#

call when everyone is

C#

gone And when you treat her

G#

wrong don't wish that she was me

Bbm

Now that I moved

F#

along it's clear we don't

C#

belong This is your last

G#

song, don't wish that

Bbm

Would fall apart or

F#

break your heart Make it

C#

easier to

G#

tear her world apart

Bbm

Cause I've started

F#

to come accustomed to

C#

Reminding you that we're way past through

G#

I don't wanna do this honestly, do you?

Bbm

I didn't know what

F#

love was then So how can you

C#

say that nothing has changed? And you still

G#

regret letting go of me that day

Bbm

You didn't know what

F#

love What love was

C#

then so this is your last

G#

song

Bbm

I wonâ€™t be the one you

F#

call when everyone is

C#

gone And when you treat her

G#

wrong just donâ€™t go wishin she was me

Bbm

Now that I moved

F#

along itâ€™s clear we donâ€™t

C#

belong This is your last

G#

song, donâ€™t wish that she was me

Bbm

F#

Donâ€™t wish that she was me

C#

G#

Donâ€™t wish that she was me

Bbm

(I wonâ€™t be the one you call)

F#

Donâ€™t wish that she was me

C#

(And when you treat her wrong)

G#

Donâ€™t wish that she was me

Bbm
