Verse 1:

**C#**

Does anyone know at all where

**Eb**

they re trying to go?

And what if I don t

**Fm**

care at all?

Coz I don t mind

**Eb**

letting it go no no

**C#**

Coz everything we know is

just something we re taught

**Eb**

And everything we hate is

just something we

**Fm**

bought along the line

**Eb**

And every time I find

myself asking why

Chorus:

**G#**

I m staying here waiting  
up why am I waiting?

**Cm**

Weighing up everything  
that I ve been breaking

**Fm**

I never let it hold me back

**C#**

now I can barely hold it back

**G#**

And now I m staying here  
waiting up why can t I shake it?

**Cm**

Weighing up everything  
that I ve been chasing

**Fm**

Slipping right through my hands

**C#**

Now I m just gonna let it  
I m just gonna let it land

Verse 2:

**C#**

So where do I get off now

**Eb**

without getting too far?

**Fm**

And how do you come back down

**Eb**

when you don t even  
know where you are?

**C#**

Coz everything we know is  
just something we re taught

**Eb**

And everything we hate is  
just something we

**Fm**

bought along the line

**Eb**

And every time I find  
myself asking why

(Repeat Chorus)

Bridge:

**C#**

**Eb**

So keep your mind open  
But always keep your mouth shut

**Fm**

And hide it if your broken

**G#**

But always keep your chin up

**C#**

It don t matter where I m falling

**Eb**

Coz I can t get my mind right

**Fm**

I need to pull it together

**Eb**

if there s no one to catch me

(Repeat Chorus)
