Am C F
A little further to his heart she holds the flame

She is still so unsure
Am C

F
You let me down
G
I can t let this go now
Time to turn it round again

Am F

Am F
She knows he would kill
C G
Just to hold her on the dance floor
F
So do we dare take this dance?
G
Well I m willing to take the chance
F
And tonight could be the night baby
G
Just take my hand
I swear we ll make it right
